48 mm = 2 inches	135 Mic	20 MTR	(48 Tin*3 NOS) 144 Rolls

### REDEFINING EFFICIENCY IN MANUAL STRETCH WRAPPING

Tailored for manual Application, our stretch film, known as hand film, hand stretch wrap, hand wrap, Or Manucel Pallet wrap, caters to operations with lower Packing capacity. Opting for the Right Stretch applicator ensures not only increased efficiency But Also a more cost effective approach to Packaging operations.

### UNRIVALED STRENGTH AND MACHINE STRETCH WRAPPING

Auto wrap excels with superior strength, puncture Resistance, and stretch performance, coupled with clarity and noiseless unwind. The machinery's consistent tension capability enables elevated Film Stretch Rates, Reaching Up to 250% to 350%. Film Type and machine settings are pivotal Factors influencing maximum Stretch Rates.
